Your Notification of November 1, 2006

Purpose This submission notifies us of your approval of a Special Local Need (SLN) registration under section 24(c) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) to amend a Federal registration to add the new use to control black-tailed prairie dogs.

Section 3 Approval On January 23, 2008, LiphaTech submitted an application to register the same new use under section 3 of FIFRA and, once registered, cancel its SLN registrations, such as this one. On May 13, 2009, the Agency approved this request. We have enclosed a copy of this Notice with this letter.

Cancellation of SLNs Note that one condition of registration is that, within 30 days of the approval of registration, LiphaTech must submit a request to EPA and the states with SLN registrations with Chlorophacinone as an active ingredient and black-tailed prairie dogs as a pest, including CO-060009, KS-070003, NE-060001, OK-080002, TX-070008, and WY-070005, to cancel such registrations voluntarily.
